

# Spirit Fitness CU900 Upright Bike (TFT Console)

£4,434.00

## Product Images

## Short Description

Perfect for any commercial facility that wants to keep members motivated and engaged, the TV tuner can be controlled via the console but if TV's not your thing, you can scroll between 3 professional workout displays.

Web browsing is easy with the touchscreen controls so you can stay up to date with social media, watch youtube videos whilst working out and much more. By connecting a device via USB to the Spirit CU900 bike,

you also get access to in-depth machine settings. The 'maintenance' mode software gives you complete control over the bikes settings.

## We Give You More...
